I once again heartily welcome you all to the annual day celebration of Koppam English Medium School

I am indeed honored to have the opportunity to present before you consistent upward graph of school's achievements and I would like to thank you each one of you for being a significant part of this glorious journey.

The annual report show cases the achievements and glories of our school undoubtedly, but also make us thing deeply about our short comings. We have always been committed to create an environment in the school which helps the young Minds to blossom and provide a platform for individual thinking and Holistic development of child's personality.

We set standards and goals for ourselves and strive to achieve them be in the area of academics, sports, discipline, leadership and more

### Academics

“Learning is creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”

we are happy to share with the details of the commendable performance of a students in AISSE and AISSCE exams last 3 years even in the pandemic situation we bagged 100% result .

10<sup>th</sup> secured 100% and both Science and commerce secured 100%

Academics is the Hallmark of any good Institution and classes 10th results of school prove without any doubt that our students made us proud .

None of these achievements would have been possible without a single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well-wishers who have shown n

None of these achievements would have been possible without a single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well-wishers who have shown n much confidence and given their fullest support. I wish you to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference. We are still not satisfied with this result we are aiming for the number one slot and have adopted various measures to achieve our goal. Extra coaching classes for the board examination for children are some of these steps

### **Staff development**

KEMS family consists of well-trained experienced and dedicated teaching staff administrative staff and supporting staff.

Staying updated is the key to success in any field especially in the field of education our teachers including principal constantly strive to stay updated by attending workshops and various training programs
